FROM:

[REDACTED]

Executive Secretary

SUBJECT:

DCI Annual Report

For several months, my staff has been working with [REDACTED] of your office on the security and counter-intelligence section of the DCI Annual Report. The relationship has been most satisfying. She did an exceptional job in scoping the tasking for the report, and an outstanding one in editing inputs into concise, highly readable form which preserved and enhanced the key points we wanted to get across. Please give her my thanks.
